

Now improve bulk dumping 4 ways with TIP-TITE® Dumpers from Flexicon®

TIP-TITE® Universal Drum Dumper handles drums from 30 to 55 gal (114 to 208 liter)

TIP-TITE® Box/Container Dumper handles boxes up to 48 in. W x 48 in. D x 44 in. H (1220 mm W x 1220 mm D x 1118 mm H)

TIP-TITE® High-Lift Box/Container Dumper (shown) and Drum Dumper discharge into vessels 6 to 10 ft (183 to 305 cm) high, dust-free

TIP-TITE® Dumpers bring newfound efficiencies and cost savings to the age-old task of dumping bulk materials from drums, boxes and containers, redefining this class of everyday plant equipment

1 Stop dust

TIP-TITE® Dumpers hydraulically raise and rotate the container, creating a dust-tight seal against a discharge hood that mates with a gasketed inlet port fitted to any receiving vessel. Pneumatic or manual slide gates control flow.

2 Improve safety

Ergonomic concerns of manual methods can be eliminated with controlled, automated TIP-TITE® Dumpers, which incorporate features of stringent global safety standards.

3 Increase reliability

Flexicon engineers and builds TIP-TITE® Dumpers specifically for fail-safe reliability under constant use in demanding environments—and backs them 100% with a performance guarantee.

4 Cut cost

Smooth, safe, dust-free and reliable operation improves the efficiency of a repetitive task, with significant savings in labor and downtime, maximizing your payback.

Flexicon offers TIP-TITE® Dumpers in carbon steel with durable industrial finishes, with stainless steel material contact surfaces, or in all-stainless models finished to food, dairy, pharmaceutical or industrial standards. All are available with Flexicon mechanical or pneumatic conveyors, rotary airlock valves or with flanged outlets to feed any process.

Most importantly, all are engineered, manufactured, guaranteed and supported by Flexicon—your single-source solution for virtually any bulk handling problem.

Also available (left to right): Open Chute Drum Dumpers, Open Chute Box/Container Dumpers and High Lift Drum Dump Filling Systems
